**SENIOR
CHORALES**
AT HIGHLANDS RANCH

ARE YOU "50 to 80+" YEARS YOUNG AND LOVE TO SING?

Then join us this Spring to experience the mental, physical and social benefits of choral singing in a supportive and non-auditioned environment under the direction of professional musicians.

We'll continue celebrating our **10th Anniversary Season** with a program to include many Broadway and movie favorites such as "Audition" from *LA LA Land*, "Never Enough" from *The Greatest Showman*, "Always Look on the Bright Side of Life" from *Spamalot*, and some high energy hits from *Hairspray*, *Big River* and the animated movie *Sing*.

Come be a part of this 10-week musical adventure that concludes with a free concert for family and friends... we're quite sure you'll enjoy a brighter disposition and a REALLY GOOD TIME!
